A black and white photograph showing two men in military uniforms engaged in conversation. The man on the left is standing and looking towards the man on the right. The man on the right is sitting on a bench or desk, also looking towards the man on the left. They are in a room filled with technical equipment, including control panels, dials, and cables, suggesting a ship's bridge or a control room. The lighting is somewhat dim, with some bright spots from overhead lights.
